# VertKleen LAM<sup>3</sup>

## Lichen, Algae, Moss, Mold and Mildew Stain Remover

---

**VertKleen LAM<sup>3</sup>** is a simple to use, spray and walk away cleaner for any outdoor surface. VK LAM<sup>3</sup> is free from traditional dangerous chemistries that are used in competitive products. VK LAM<sup>3</sup> contains no acids, caustics, solvents, bleach or quat. VK LAM<sup>3</sup> carries a 0-0-0 HMIS score and is pH neutral.

**Pavers • Wood • Siding • Metal • Aluminum • Painted Surfaces • Brick • Concrete • Roofing**

VK LAM<sup>3</sup> is 100% biodegradable in less than 10 days, making it the safest outdoor cleaner for our environment. Same on all Flora and Fauna, all people and pets.

---

### USE DIRECTIONS

Always test each type of surface and stain before overall application to ensure suitability and desired results. To test, let test area dry thoroughly after application. If spilled outside the area to be cleaned or on surrounding vegetation, immediately flush with water to neutralize product. No other neutralizing step is needed.

### DILUTION RATIO

**VK LAM<sup>3</sup>** can be diluted with fresh water before application.

**Dilution Ratios: To remove heavy lichen, algae, moss, mold and mildew stains - 1 part product: 5 parts water; To remove light stains - 1 part product: 10 part water; To remove algae from pond or fountain - Use 1 cup per 50 gallons of water: undiluted.**

### APPLICATION INSTRUCTIONS

1. Apply the diluted VK LAM<sup>3</sup> solution using a low-pressure spray or a brush. Walk away.
2. For heavily soiled areas brushing is recommended. Rinse after then re-apply if needed

Treated areas may take up to a month to reach maximum results when using the Spray and Leave method. Re-apply when needed or every six months.

### HAZARD STATEMENT

May be harmful if swallowed. May cause mild skin irritation. May cause eye irritation.

### SIGNAL WORD
